AMBASSADOR'S MESSAGE

I would like to take this opportunity to tell everyone how honoured I am to be 2018-2019 Seaforth Fall Fair Ambassador. I am very thankful, and lucky to have had such amazing people help me make this year so memorable. I want to show my gratitude towards the community for having my back, the fair board for making this year so memorable, and for Rachel Gras, the 2018-2019 Junior Ambassador, for making this experience extra fun!! This past year has given me experiences, new opportunities, has taught me so much, and has granted me with many new friends. I am also very proud to live in such an amazing town who puts their most dedicated pride, and effort into everything that they do. I will cherish these memories, and friendships throughout my life. The year started at the Fall Fair where me and Rachel introduced ourselves, judged competitions, and walked around meeting lots of new people. Some other events that we have attended throughout the year have been the Seaforth Santa Clause Parade, the Toy and Craft show, the District 8 meeting, the Ladies Harvest, and the Appreciation night. We have yet to attend the Breath Of Spring. I had the pleasure of attending the OAAS convention in Toronto where I learned so much, and met so many new friends. It was an honour to meet all of the other ambassadors from across Ontario, and to be representing Seaforth as my Fall Fair. Again I'd like to thank everyone who have helped me and Rachel along this journey, and have given us endless support along the way. Without the pride of the Ag Society none of these opportunities would have been possible for me and Rachel. This wonderful program has given me so many opportunities, and learning skills, that I truly hope will last a lifetime. Have an awesome time at the fair, make sure to soak it all in!

Best of wishes,

2018-2019 Seaforth Ambassador, Emily Anstett

GET INVOLVED!

The Seaforth Agricultural Society is a community organization that is run by volunteers dedicated to encouraging an awareness and appreciation of agriculture.

We are proud to hold the Fall Fair, an event that has drawn people to Seaforth from near and far for the last 174 years!! Impressive right? The only way to continue this tradition is with the help of our volunteers. We hope that you will join us, as a director in the Society, a member of the Homecraft Division, an organizer in any of our Fair committees, or helper at the number of events held throughout the year. Whether you're young or old(er), from town or country, have little experience or tons, looking to fulfill your high school community service hours or retired with a few hours to spare, we'd love to see you get involved.

The American Miniature Horse is a beautiful, small, well balanced horse that if all reference to size were eliminated, would have the same conformational proportions of other full sized light breeds.

Movement is strong, natural, and athletic. In motion the horse will exude athleticism as demonstrated by suppleness of the shoulders and engaged hocks. In judging when characteristics are almost equal, preference **MUST be given to the smaller horse.**

Measuring at the base of the last hair on the mane, the mature animal must not exceed 34 inches

Somebody to seed, weed, feed, breed and rake and disc and plow
and plant and tie the fleece and strain the milk
and somebody to replenish the self-feeder and finish
a hard day's work with a five mile drive to church.
